MUSIC

OVERALL AIM: Music is a universal language that embodies one of the highest forms of creativity. Our high-quality music curriculum engages and inspires pupils to develop a love of music and nurture their talent as musicians, building their self-confidence, creativity and sense of achievement. As pupils progress, they will develop a critical engagement with music, allowing them to compose, and to listen with discrimination.

ACADEMIC

Pupils learn how to talk about music and give opinions about what they hear.

They share knowledge and instruments and play music together.

Pupils learn the vocabulary associated with music. They experience playing instruments and appreciate and enjoy a variety of genres of music. They will be encourages to perform as a soloist or as part of an ensemble.

SOCIAL

Pupils build confidence and self worth and self esteem through performing. The practical element encourages collaborative working and perseverance.
